"Ar aghaidh linn le chéile – Moving forward together."

A chairde,

As 2020 draws to a close it is usually the time to take stock and review matters in the form of a traditional AGM. Unfortunately, this will not be possible this year and all reports, except the Treasurer's which can be examined by appointment on AGM Day, are being published online for your attention. This year has witnessed all the old certainties being turned on their head and a new form of "normality" has taken hold. Thankfully, we were able to enjoy a limited return to playing our beloved National Games reminding us just how special they are.

COVID-19 brought with it so many challenges yet presented us with the opportunity to cement our place "I gcroílár an phobail – At the heart of the community." Countless club volunteers put in a tremendous effort in so many ways to help us come through an unprecedented period emerging more united than ever. The coming years will present their own challenges which the club again will no doubt rise to meet. We are finishing off our very exciting plans to complete the Re-Development of Páirc an Phiarsaigh which will be published in the very near future for everyone's consideration. Our Draft Five-Year Plan offers every single member the chance to play their own part by joining a Sub-Committee and help shape our development in every area.

Sadly we have lost many valued members this year. We trust that we have been able to help their families in some small way and have paid tribute to each of them through our social media platforms. Christmas is always a special time of the year but there is no doubt that the first year without loved ones is very hard. Our younger members have shown how remarkably adaptable they can be and in many ways have set the example for all of us. Hopefully, all of them can continue to inspire us to look forward to brighter and better days in the coming year.
